• EMPLOYMENT HISTORY

• Head of Content at Onchain Foundation

Jan 2023 — Present

I developed, executed and managed the content strategy for Onchain's Research Services from scratch and set up the content system, including:

- > content production cycle for the Onchain Magazine from ideation to publishing
- > content adaptation to, and distribution on social media
- > ad strategy with lead magnet and email nurturing series
- > brand voice definition and content style guide creation
- > website copy & email newsletter & team building

• Senior Marketing Content Manager at Similarweb, Tel Aviv, Israel

Mar 2022 — Dec 2022

Plan and lead the content creation process for the company's marketing intelligence blog in close cooperation with product marketing, design, and SEO teams.

• Marketing Content Writer at Freelance

Mar 2020 — Mar 2022

- > Similarweb: Top contributor to the research and marketing intelligence blogs, including related content assets: landing pages, emails, reports, video scripts, etc.
- > monday.com & Fiverr: SEO optimization > Hour One: Copy & web content > Anodot: Video scripts, newsletters, SEO

• Content Manager at D.P Online Group, Israel

Jan 2018 — Jan 2020

I helped build a long-term content plan for the online pharmacy and managed external writers and translators to establish a blog and medical knowledge base. I also created paid advertising campaigns to boost sales in the top categories, set up email nurturing flows, and optimized the funnel.

• Content Writer and Coordinator at Entain, Tel Aviv, Israel

Oct 2014 — Dec 2017

I managed the website content creation process and email marketing for German, English, and French-speaking audiences for one of the company's platforms. My blog generated an increase in traffic and turned into a top marketing channel.
